HANDS-ON ACTIVITY

2. Divide the plate's edge into 6 sections using your ruler and write one subject pronoun in each section (yo, tú, él/ella, nosotros, vosotros, ellos/ellas).
3. In each section, write the correct conjugated form of your chosen -AR verb next to the pronoun (habl-o, habl-as, habl-a, habl-amos, habl-áis, habl-an).
4. Spin the arrow 5 times and, for each pronoun it lands on, say and write a complete sentence using that conjugated verb form.
5. Repeat the wheel-making process (on the back of the plate or new paper) for a second -AR verb of your choice.
