

Shopping Vocabulary & Numbers/Money

Name: _____ Date: _____

LEARNING OBJECTIVE

The student will practice Spanish numbers and shopping phrases through a simulated shopping activity.

MATERIALS NEEDED

- Small household items or pictures of items (5-8)
- Index cards
- Play money or paper cut-outs labeled with amounts
- Marker

HANDS-ON ACTIVITY

1. Review Spanish numbers 1-100 by counting aloud by 10s, then practice saying 5 random two-digit numbers your family member calls out.
2. Choose 5-8 small household items (or draw pictures of items) and label each with an index-card price tag in Spanish (example: 'cinco dolares').
3. Set up a pretend 'store' with your labeled items and play money.
4. Role-play buying at least 3 items: ask 'Cuanto cuesta?' (How much does it cost?), state the price in Spanish, and 'pay' with your play money, counting change if needed.
5. Write a receipt in Spanish listing the 3 items you bought and their prices, plus the total.

QUESTIONS

1. How do you ask 'How much does it cost?' in Spanish?
-

2. Write the numbers 15, 42, and 78 in Spanish.
-

3. List the 3 items you 'bought' in your role-play and their prices in Spanish.
-

4. What was the total cost of your 3 items, written as a Spanish number?
