

Weekly Practice Worksheet

7th Grade · Math · Week 19 (Quarter 3)

Expressions, Equations & Inequalities

This week's focus: Simplifying expressions

Student Name: _____ Date: _____

Monday: Introducing Simplifying expressions

Learning Objective

Students can describe the concept of simplifying expressions.

Practice

Guided practice with 3-5 problems on simplifying expressions.

Check-In / Reflection

Exit ticket: one practice problem on simplifying expressions.

Tuesday: Building Skills with Simplifying expressions

Learning Objective

Students can solve straightforward problems involving simplifying expressions.

Practice

Independent practice set, checked in pairs.

Check-In / Reflection

Teacher circulates and checks for understanding.

Wednesday: Applying Simplifying expressions

Learning Objective

Students can apply simplifying expressions to real-world word problems.

Practice

Groups present one solution strategy to the class.

Check-In / Reflection

Short reflection on strategy used.

Thursday: Practicing Simplifying expressions

Learning Objective

Students can solve a mixed set of problems on simplifying expressions with increasing independence.

Practice

Peer tutoring for students who need support.

Check-In / Reflection

Self-check against answer key and flag questions.

Friday: Quiz & Review: Simplifying expressions

Learning Objective

Students can demonstrate mastery of simplifying expressions on a short quiz.

Practice

Class review of quiz answers and common mistakes.

Check-In / Reflection

Completed quiz collected and reviewed.
