

Food & Traditions: Recipe Card

Name: _____ **Date:** _____

LEARNING OBJECTIVE

The student will research a traditional dish from their chosen country and create a bilingual recipe card.

MATERIALS NEEDED

- index card or recipe card paper
- colored pencils
- device with internet access or provided reference materials

HANDS-ON ACTIVITY

1. Research one traditional dish from your chosen country, noting its name, main ingredients, and when/why it's traditionally eaten.
2. Write out the recipe's ingredient list in Spanish with English translations alongside each item.
3. Write 3-4 preparation steps in Spanish using command or simple present-tense verbs, with English translations below each step.
4. Illustrate the finished dish with colored pencils on your recipe card.
5. If possible, help prepare a simplified version of the dish (or a similar dish) with a family member, and note one thing you learned about the process.

QUESTIONS

1. What dish did you choose, and from which country/region does it come?
-

2. List 3 ingredients from your recipe in Spanish with their English translations.
-

3. Write one preparation step from your recipe in Spanish.
-

4. On what occasion or holiday is this dish traditionally eaten, and what does that tell you about the culture's values?
-
