

Community Service Project: Planning & Preparation

Name: _____ Date: _____

LEARNING OBJECTIVE

The student will finalize logistics and gather materials for their community service project ahead of execution.

MATERIALS NEEDED

- Week 2 service project plan
- paper
- pencil
- materials specific to the chosen project (varies by project)

HANDS-ON ACTIVITY

1. Review and finalize your Week 2 service project plan, updating any details that have changed.
2. Create a specific task checklist with at least 6 steps needed to carry out your project, in order.
3. Gather or prepare any physical materials needed for your project (cleanup supplies, donation items, flyers, cards, etc.).
4. If your project involves other people, contact them (in person, by phone, or by message) to confirm their involvement and record their responses.
5. Set a specific date, time, and location for carrying out your project next week, and write it clearly on your worksheet.

QUESTIONS

1. List your finalized 6-step task checklist for your service project.

-
2. What materials did you gather or prepare this week?

-
3. Who did you contact about being involved, and what was their response?
-

4. What is the specific date, time, and location you've set for carrying out your project?
