

Community Service Project: Execution

Name: _____ Date: _____

LEARNING OBJECTIVE

The student will carry out their planned community service project and document the results.

MATERIALS NEEDED

- materials gathered in Week 4
- phone or camera for photos (optional)
- paper
- pencil

HANDS-ON ACTIVITY

1. Carry out your community service project as planned (cleanup, donation drive, visiting/helping a neighbor, creating awareness materials, etc.).
2. Take note of how long the project took and how many people were involved.
3. If possible, take a photo before and after (e.g., a cleaned-up area) or of the finished product (donation box, flyers distributed, cards made).
4. Write down 3 specific things that went well and 2 things that were harder than expected during execution.
5. Ask anyone who helped or was affected by your project for one comment about its impact, and record it.

QUESTIONS

1. Describe what you actually did for your service project and how long it took.
-

2. List 2 things that went well and 2 things that were harder than expected.
-

3. What comment did someone give you about the impact of your project?
-

4. If you were to do this project again, what would you do differently to make it more effective?
