

Addition Word Problems Within 10 (Animals Joining a Group)

Grade: PreK | Subject: Math | Week 19: Animals and Their Habitats | Time: 10–15 minutes

Learning Objective

Simplified, hands-on version: Student will solve addition word problems within 10 using animal counters, drawings, and equations.

Materials Needed

10 animal counters, a "watering hole" mat, whiteboard for drawing

Practice Activity

Child creates their own addition story problem within 10 using animal counters and asks a parent to solve it.
