

Counting Collections to 50 by Ones and Tens

Grade: 3-5 | Subject: Math | Week 28: Plants: Seeds, Roots, and How Things Grow | Time: 35–45 minutes

Learning Objective

Student will independently count a collection of up to 50 objects by ones and demonstrate counting by tens to 50.

Materials Needed

50 small counters (pretend seeds or beans), ten-frame mats, a number chart to 50

Practice Activity

Child counts out an exact number of seeds (e.g., "Give me 34 seeds") using ten-frames and single counters. Extend by writing 2-3 sentences reflecting on the skill.
