

Introducing the Topic: Day and Night, Sun and Moon

Grade: 3-5 | Subject: Science | Week 13: Day and Night, Sun and Moon | Time: 25 minutes

Learning Objective

Student will be introduced to this week's focus skill (Extending toward independent mastery — Sunlight and shadows; day/night patterns caused by Earth's rotation) through a warm-up activity tied to Day and Night, Sun and Moon.

Materials Needed

Theme-related materials or pictures, observation journal, writing tools

Practice Activity

Student practices the new skill independently with a themed activity or worksheet.
