

Introducing the Topic: Light and Shadows in Winter

Grade: K | Subject: Math | Week 16: Light and Shadows in Winter | Time: 25 minutes

Learning Objective

Student will be introduced to this week's focus skill (3D shapes and identifying shapes in real winter objects) through a warm-up activity tied to Light and Shadows in Winter.

Materials Needed

Manipulatives or counters, number line/place-value chart, paper for recording

Practice Activity

Student practices the new skill independently with a themed activity or worksheet.
