

Introducing the Topic: Farm to Table: Where Food Comes From

Grade: 3-5 | Subject: Science | Week 5: Farm to Table: Where Food Comes From | Time: 25 minutes

Learning Objective

Student will be introduced to this week's focus skill (Extending toward independent mastery — Where food comes from; plants people grow for food) through a warm-up activity tied to Farm to Table: Where Food Comes From.

Materials Needed

Theme-related materials or pictures, observation journal, writing tools

Practice Activity

Student practices the new skill independently with a themed activity or worksheet.
