

Sorting Plant vs. Animal Vocabulary

Grade: 1-2 | Subject: English | Week 28: Plants: Seeds, Roots, and How Things Grow | Time: 25–35 minutes

Learning Objective

Student will (building on K skills) sort 10 words/pictures into "plant" and "animal" categories with 80% accuracy.

Materials Needed

Mixed picture cards (plants and animals), two labeled sorting mats

Practice Activity

Child adds one new word of their own choosing to a category and explains why it belongs there.
