

Sorting Plant vs. Animal Vocabulary

Grade: K | Subject: English | Week 28: Plants: Seeds, Roots, and How Things Grow | Time: 20–25 minutes

Learning Objective

Student will sort 10 words/pictures into "plant" and "animal" categories with 80% accuracy.

Materials Needed

Mixed picture cards (plants and animals), two labeled sorting mats

Practice Activity

Child adds one new word of their own choosing to a category and explains why it belongs there.
