

# Introducing the Topic: Farm Animals and Their Needs

Grade: K | Subject: English | Week 23: Farm Animals and Their Needs | Time: 25 minutes

## Learning Objective

Student will be introduced to this week's focus skill (Question words and vocabulary about farm animal needs and care) through a warm-up activity tied to Farm Animals and Their Needs.

## Materials Needed

Picture/vocabulary cards related to this week's theme, paper, writing tools

## Practice Activity

Student practices the new skill independently with a themed activity or worksheet.
