

Caring for Our Community's Environment

Grade: PreK | Subject: Science | Week 1: Community Helpers & Our Neighborhood | Time: 10–15 minutes

Learning Objective

Simplified, hands-on version: Student will propose one action to help reduce impact on the local environment (e.g., recycling, picking up litter, turning off water).

Materials Needed

Recycling bin and trash bin (or labeled boxes), assorted clean recyclable items (paper, cardboard, plastic bottle), drawing paper

Practice Activity

Child draws a "help our town" poster showing one action (recycling, planting a tree, picking up litter) and dictates a caption.
