

Comparing Height and Weight of Plants

Grade: 3-5 | Subject: Math | Week 28: Plants: Seeds, Roots, and How Things Grow | Time: 35–45 minutes

Learning Objective

Student will independently compare two or more plants by height and weight, using "taller/shorter" and "heavier/lighter."

Materials Needed

2–3 small plants or plant cuttings of different sizes, a simple balance scale (or two paper cups on a hanger)

Practice Activity

Child orders all plants from shortest to tallest and from lightest to heaviest. Extend by writing 2-3 sentences reflecting on the skill.
