

# Hands-On Practice: Forest and Woodland Animals

Grade: K | Subject: Science | Week 22: Forest and Woodland Animals | Time: 25-30 minutes

## Learning Objective

Student will apply this week's skill (Forest habitat features; needs of woodland animals) through a hands-on or written activity connected to Forest and Woodland Animals.

## Materials Needed

Theme-related materials or pictures, observation journal, writing tools

## Practice Activity

Student completes one additional independent repetition and explains their reasoning.
