

## Sorting and Categorizing: Getting Around: Transportation

Grade: 3-5 | Subject: Science | Week 4: Getting Around: Transportation | Time: 25 minutes

### Learning Objective

Student will organize or categorize information related to Getting Around: Transportation using this week's skill (Extending toward independent mastery — Motion and speed of wheeled vehicles; ramps and forces).

### Materials Needed

Theme-related materials or pictures, observation journal, writing tools

### Practice Activity

Student adds one new example to a category and explains their reasoning.
