

# Hands-On Practice: Getting Around: Transportation

Grade: 3-5 | Subject: Math | Week 4: Getting Around: Transportation | Time: 25-30 minutes

## Learning Objective

Student will apply this week's skill (Division facts and the relationship to multiplication) through a hands-on or written activity connected to Getting Around: Transportation.

## Materials Needed

Manipulatives or counters, number line/place-value chart, paper for recording

## Practice Activity

Student completes one additional independent repetition and explains their reasoning.
