

One-to-One Correspondence: Counting Sets

Grade: PreK | Subject: Math | Week 1: Community Helpers & Our Neighborhood | Time: 10–15 minutes

Learning Objective

Simplified, hands-on version: Student will count a set of up to 15 objects, matching one number word to each object with no skips or repeats.

Materials Needed

15 counters (pretend coins/"tickets" for the community bus), small cups or ten-frame mat

Practice Activity

Child counts out an exact number of tickets when asked ("Give me 9 tickets") and checks by recounting.
