

Introducing the Topic: Getting Around: Transportation

Grade: K | Subject: Science | Week 4: Getting Around: Transportation | Time: 20 minutes

Learning Objective

Student will be introduced to this week's focus skill (Motion and speed of wheeled vehicles; ramps and forces) through a hands-on warm-up activity tied to Getting Around: Transportation.

Materials Needed

Theme-related picture cards or real objects, observation journal, crayons

Practice Activity

Child practices the new skill independently with a themed manipulative or picture set.
