

Fall Harvest: Where Our Food Comes From

Grade: 3-5 | Subject: Social Studies | Week 10: The Four Seasons and How They Change | Time: 35–45 minutes

Learning Objective

Student will independently describe how farmers' work changes in the fall and why harvest season matters to a community.

Materials Needed

Pictures of fall crops (pumpkins, apples, corn), a small basket of real or play fall produce

Practice Activity

Child sorts pictures into "grown in fall" and "grown other times" categories, explaining reasoning. Extend by writing 2-3 sentences reflecting on the skill.
