

Hands-On Practice: Getting Around: Transportation

Grade: 3-5 | Subject: Reading | Week 4: Getting Around: Transportation | Time: 25-30 minutes

Learning Objective

Student will apply this week's skill (Extending toward independent mastery — Sequencing events in transportation stories using first/next/last) through a hands-on or written activity connected to Getting Around: Transportation.

Materials Needed

A book or passage related to this week's theme, graphic organizer

Practice Activity

Student completes one additional independent repetition and explains their reasoning.
