

Introducing the Topic: Maps and Where We Live

Grade: 3-5 | Subject: Science | Week 8: Maps and Where We Live | Time: 25 minutes

Learning Objective

Student will be introduced to this week's focus skill (Extending toward independent mastery — Observing land near our home; simple landforms vocabulary) through a warm-up activity tied to Maps and Where We Live.

Materials Needed

Theme-related materials or pictures, observation journal, writing tools

Practice Activity

Student practices the new skill independently with a themed activity or worksheet.
