

Comparing Length (Longer/Shorter)

Grade: 3-5 | Subject: Math | Week 10: The Four Seasons and How They Change | Time: 35–45 minutes

Learning Objective

Student will independently compare the length of two or more objects and describe the difference using "longer," "shorter," and "same length."

Materials Needed

A collection of sticks or leaves of varying sizes gathered outside (or paper cutouts), a piece of string, paper for recording

Practice Activity

Child measures one object using a string and compares it to another object's string length. Extend by writing 2-3 sentences reflecting on the skill.
