

The Four Seasons and Their Patterns

Grade: 3-5 | Subject: Science | Week 10: The Four Seasons and How They Change | Time: 35–45 minutes

Learning Objective

Student will independently name the four seasons in order and describe one weather pattern for each.

Materials Needed

Four season picture cards, weather journal (from Week 1 or new blank journal), crayons

Practice Activity

Child sorts 8 weather picture cards (rain, snow, sun, wind, etc.) into the season(s) they most often happen in. Extend by writing 2-3 sentences reflecting on the skill.
