

Where Animals Live Around the World

Grade: 3-5 | Subject: Social Studies | Week 19: Animals and Their Habitats | Time: 35–45 minutes

Learning Objective

Student will independently use a simple world map to locate and point to at least 3 regions where specific animals live.

Materials Needed

A simple world map or globe, animal picture stickers or cutouts (penguin = Antarctica, lion = Africa, panda = Asia)

Practice Activity

Child places one new animal sticker on the map in its correct approximate region. Extend by writing 2-3 sentences reflecting on the skill.
