

## Comparing Height and Weight of Plants

Grade: PreK | Subject: Math | Week 28: Plants: Seeds, Roots, and How Things Grow | Time: 10–15 minutes

### Learning Objective

Simplified, hands-on version: Student will compare two or more plants by height and weight, using "taller/shorter" and "heavier/lighter."

### Materials Needed

2–3 small plants or plant cuttings of different sizes, a simple balance scale (or two paper cups on a hanger)

### Practice Activity

Child orders all plants from shortest to tallest and from lightest to heaviest.
