

Hands-On Practice: Parts of a Plant and What They Need

Grade: 1-2 | Subject: Social Studies | Week 29: Parts of a Plant and What They Need | Time: 25-30 minutes

Learning Objective

Student will apply this week's skill (Building on kindergarten skills — Comparing rural and urban ways people grow and access food) through a hands-on or written activity connected to Parts of a Plant and What They Need.

Materials Needed

Theme-related picture cards or reference materials, map/chart as needed, paper

Practice Activity

Student completes one additional independent repetition and explains their reasoning.
