

Retelling a Plant Life-Cycle Story in Order

Grade: 1-2 | Subject: Reading | Week 28: Plants: Seeds, Roots, and How Things Grow | Time: 25–35 minutes

Learning Objective

Student will (building on K skills) retell a plant-themed story in the correct order (beginning, middle, end) with 3+ key details.

Materials Needed

A picture book about a seed or plant growing, 3 blank story-sequence cards

Practice Activity

Child retells the story aloud using the sequence cards as prompts.
