

Signs of Fall: Why Leaves Change

Grade: 3-5 | Subject: Science | Week 10: The Four Seasons and How They Change | Time: 35–45 minutes

Learning Objective

Student will independently observe and describe at least 2 signs that fall is happening (leaves changing color, cooler air, shorter days).

Materials Needed

Real or paper leaves in different fall colors, magnifying glass (optional), drawing paper

Practice Activity

Child creates a leaf rubbing or drawing and labels 2 observed changes (color, size). Extend by writing 2-3 sentences reflecting on the skill.
