

Identifying and Describing Shapes

Grade: PreK | Subject: Math | Week 1: Community Helpers & Our Neighborhood | Time: 10–15 minutes

Learning Objective

Simplified, hands-on version: Student will name and describe 4 basic 2D shapes (circle, square, triangle, rectangle) found in community buildings.

Materials Needed

Shape cutouts, paper, crayons, pictures of buildings/signs (stop sign = octagon/circle-ish, window = square, roof = triangle)

Practice Activity

Child uses shape cutouts to build their own paper "town building" (post office, house, or fire station) by gluing shapes together.
