

Introducing the Topic: Parts of a Plant and What They Need

Grade: PreK | Subject: Science | Week 29: Parts of a Plant and What They Need | Time: 25 minutes

Learning Objective

Student will be introduced to this week's focus skill (Oral/hands-on introduction: Detailed study of roots, stems, leaves and their specific jobs) through a warm-up activity tied to Parts of a Plant and What They Need.

Materials Needed

Theme-related materials or pictures, observation journal, writing tools

Practice Activity

Student practices the new skill independently with a themed activity or worksheet.
