

Growing as a Learner: How I Can Help as I Grow

Grade: 1-2 | Subject: Social Studies | Week 28: Plants: Seeds, Roots, and How Things Grow | Time: 25–35 minutes

Learning Objective

Student will (building on K skills) explain that, just like plants, people grow and change, and describe one way they can take on more responsibility as they grow.

Materials Needed

This week's plant life-cycle cards, drawing paper

Practice Activity

Child draws themselves "growing" (like a plant) and dictates one new responsibility they're ready for.
