

# Introducing the Topic: Getting Around: Transportation

Grade: 3-5 | Subject: Science | Week 4: Getting Around: Transportation | Time: 25 minutes

## Learning Objective

Student will be introduced to this week's focus skill (Extending toward independent mastery — Motion and speed of wheeled vehicles; ramps and forces) through a warm-up activity tied to Getting Around: Transportation.

## Materials Needed

Theme-related materials or pictures, observation journal, writing tools

## Practice Activity

Student practices the new skill independently with a themed activity or worksheet.
