

Counting to 30 by Ones

Grade: 3-5 | Subject: Math | Week 10: The Four Seasons and How They Change | Time: 35–45 minutes

Learning Objective

Student will independently count aloud from 1 to 30 in the correct sequence, using seasonal objects to reinforce counting.

Materials Needed

30 small counters (pretend acorns, buttons, or paper leaves), a number chart 1–30

Practice Activity

Child counts aloud to 30 while placing counters into a row, checking against the number chart. Extend by writing 2-3 sentences reflecting on the skill.
