

Introducing the Topic: Homes and Families in Our Community

Grade: PreK | Subject: Science | Week 2: Homes and Families in Our Community | Time: 25 minutes

Learning Objective

Student will be introduced to this week's focus skill (Oral/hands-on introduction: Five senses exploration; observing materials found in and around homes) through a warm-up activity tied to Homes and Families in Our Community.

Materials Needed

Theme-related materials or pictures, observation journal, writing tools

Practice Activity

Student practices the new skill independently with a themed activity or worksheet.
