

Introducing the Topic: Ocean and Water Habitats

Grade: K | Subject: Math | Week 21: Ocean and Water Habitats | Time: 25 minutes

Learning Objective

Student will be introduced to this week's focus skill (Comparing sets and measuring length using ocean-themed objects) through a warm-up activity tied to Ocean and Water Habitats.

Materials Needed

Manipulatives or counters, number line/place-value chart, paper for recording

Practice Activity

Student practices the new skill independently with a themed activity or worksheet.
