

Growing as a Learner: How I Can Help as I Grow

Grade: 3-5 | Subject: Social Studies | Week 28: Plants: Seeds, Roots, and How Things Grow | Time: 35–45 minutes

Learning Objective

Student will independently explain that, just like plants, people grow and change, and describe one way they can take on more responsibility as they grow.

Materials Needed

This week's plant life-cycle cards, drawing paper

Practice Activity

Child draws themselves "growing" (like a plant) and dictates one new responsibility they're ready for. Extend by writing 2-3 sentences reflecting on the skill.
