

Composing and Decomposing Numbers to 10

Grade: PreK | Subject: Math | Week 1: Community Helpers & Our Neighborhood | Time: 10–15 minutes

Learning Objective

Simplified, hands-on version: Student will find at least 3 different ways to make the number 10 using two addends.

Materials Needed

Ten-frame printout, 10 two-color counters (or beans painted on two sides), "delivery truck" cutout

Practice Activity

Child uses fingers to show a partner combination when a parent calls out a number (e.g., "3 and how many more make 10?").
