

Sequencing Words for Life Cycle Order

Grade: PreK | Subject: English | Week 28: Plants: Seeds, Roots, and How Things Grow | Time: 10–15 minutes

Learning Objective

Simplified, hands-on version: Student will use the sequencing words first, next, then, and finally to describe the order of a plant's life cycle.

Materials Needed

Plant life-cycle picture cards (seed, sprout, young plant, flowering plant), sequencing word cards

Practice Activity

Child retells the life-cycle order aloud without looking at the sequencing cards.
