

## Introducing the Topic: Spring Weather and New Life

Grade: 3-5 | Subject: Science | Week 32: Spring Weather and New Life | Time: 25 minutes

### Learning Objective

Student will be introduced to this week's focus skill (Extending toward independent mastery — Signs of spring; new plant and animal life; changing weather) through a warm-up activity tied to Spring Weather and New Life.

### Materials Needed

Theme-related materials or pictures, observation journal, writing tools

### Practice Activity

Student practices the new skill independently with a themed activity or worksheet.
