

Introducing the Topic: Homes and Families in Our Community

Grade: K | Subject: Science | Week 2: Homes and Families in Our Community | Time: 20 minutes

Learning Objective

Student will be introduced to this week's focus skill (Five senses exploration; observing materials found in and around homes) through a hands-on warm-up activity tied to Homes and Families in Our Community.

Materials Needed

Theme-related picture cards or real objects, observation journal, crayons

Practice Activity

Child practices the new skill independently with a themed manipulative or picture set.
