

Where Our Food Grows: Farms and Gardens Near and Far

Grade: PreK | Subject: Social Studies | Week 28: Plants: Seeds, Roots, and How Things Grow |
Time: 10–15 minutes

Learning Objective

Simplified, hands-on version: Student will describe where different foods are grown and identify whether they come from a nearby farm/garden or a faraway place.

Materials Needed

A simple map showing "local" and "far away," pictures of foods and where they're commonly grown

Practice Activity

Child names one food and explains whether it likely came from nearby or far away.
