

Caring for Our Earth: Planting and Environmental Stewardship

Grade: 3-5 | Subject: Social Studies | Week 28: Plants: Seeds, Roots, and How Things Grow | Time: 35–45 minutes

Learning Objective

Student will independently describe one way planting or caring for plants helps the environment.

Materials Needed

Pictures of trees/gardens helping the environment (shade, clean air, homes for animals), drawing paper

Practice Activity

Child draws a "help our earth" poster showing a planting-related action and dictates a caption. Extend by writing 2-3 sentences reflecting on the skill.
