

Introducing the Topic: Parts of a Plant and What They Need

Grade: 3-5 | Subject: Social Studies | Week 29: Parts of a Plant and What They Need | Time: 25 minutes

Learning Objective

Student will be introduced to this week's focus skill (Extending toward independent mastery — Comparing rural and urban ways people grow and access food) through a warm-up activity tied to Parts of a Plant and What They Need.

Materials Needed

Theme-related picture cards or reference materials, map/chart as needed, paper

Practice Activity

Student practices the new skill independently with a themed activity or worksheet.
