

Comparing and Applying: Our School Community

Grade: K | Subject: Science | Week 7: Our School Community | Time: 20-25 minutes

Learning Objective

Student will compare or apply this week's skill (Sound: how we hear and make different sounds at school) in a new context tied to Our School Community.

Materials Needed

Theme-related picture cards or real objects, observation journal, crayons

Practice Activity

Child draws or acts out one example showing understanding of Sound: how we hear and make different sounds at school.
