

Introducing the Topic: Maps and Where We Live

Grade: K | Subject: English | Week 8: Maps and Where We Live | Time: 20 minutes

Learning Objective

Student will be introduced to this week's focus skill (Prepositions and directional words describing maps and locations) through a hands-on warm-up activity tied to Maps and Where We Live.

Materials Needed

Picture cards and vocabulary cards related to this week's theme, paper, crayons

Practice Activity

Child practices the new skill independently with a themed manipulative or picture set.
