

Comparing Length (Longer/Shorter)

Grade: PreK | Subject: Math | Week 10: The Four Seasons and How They Change | Time: 10–15 minutes

Learning Objective

Simplified, hands-on version: Student will compare the length of two or more objects and describe the difference using "longer," "shorter," and "same length."

Materials Needed

A collection of sticks or leaves of varying sizes gathered outside (or paper cutouts), a piece of string, paper for recording

Practice Activity

Child measures one object using a string and compares it to another object's string length.
