

Introducing the Topic: Maps and Where We Live

Grade: K | Subject: Social Studies | Week 8: Maps and Where We Live | Time: 20 minutes

Learning Objective

Student will be introduced to this week's focus skill (Reading and using simple maps of our neighborhood) through a hands-on warm-up activity tied to Maps and Where We Live.

Materials Needed

Theme-related picture cards, simple map or chart as needed, paper

Practice Activity

Child practices the new skill independently with a themed manipulative or picture set.
